

SNEC and SERI staff recognised at Singapore Health Quality Service Awards 2021

Ninety-four staff and faculty were awarded for their contributions in the nation's fight against COVID-19

Organised by the SingHealth Duke-NUS Academic Medical Centre since 2011, the Singapore Health Quality Service Awards (SHQSA) is Singapore's first and biggest event to acknowledge service excellence in the healthcare industry.

Themed "Celebration of Unity", the 2021 edition of SHQSA specially honours healthcare professionals and partners who have contributed significantly in helping the nation navigate the COVID-19 pandemic.

Some 7,000 individuals from 38 public and private healthcare institutions, community hospitals, as well as agencies from the Community Care sector were recognised at this year's SHQSA. Among them, 94 staff and faculty from SNEC and SERI were presented the Hero Awards for their exceptional support and service during these challenging times.

Notably, the team of winners from SNEC and SERI had stepped up during the peak of the COVID-19 outbreak last year by volunteering at the various facilities, which were a critical part of the nation's response to the pandemic.
