

is the total quality experience that patients enjoy with LASIK at the Singapore National Eye Centre.

Far more than just a LASIK procedure, the **singlasik™** experience begins with personalised assessment and counselling, followed by high-precision LASIK surgery performed by surgeons with a combined track record of more than 32,000 cases and 100% clinical audit since 1992.

Every step of the way, patients receive total quality care from a team of highly dedicated and specialised staff.

*More than just LASIK,
go for the*

Experience

Life's looking great

What is the **singlasik™** difference?

Provided exclusively at the Singapore National Eye Centre (SNEC), the unique **singlasik™** experience is distinguished by:

- An exceptional reputation for quality assurance backed by a 100% clinical audit programme
- Advanced technology with multiple LASIK machines and femtosecond laser offering the widest range of LASIK options
- A faculty of more than 10 senior LASIK surgeons
- A high LASIK volume of over 32,000 laser refractive surgeries
- A dedicated nursing and paramedical team
- A comprehensive support network for patients with councilors, public relations and email and hotline contacts.
- Consistently delivers the highest quality of LASIK with peace of mind
- A regional training centre for refractive surgeons from the region
- A recognized referral centre for complex refractive surgical cases
