

# Neuroscience Nursing Seminar 2025

## Beyond the Basic

18 July 2025, Friday | Centre for Healthcare Innovation, Level 2

National  
Neuroscience Institute  
SingHealth

### Programme Outline

Plenary 1- Pushing Boundaries in Neuroscience: Elevating Care to New Heights		
Chairperson/ Moderator: NC/ APN Siti Rohaida, Nurse		
Venue: CHI Hall 2 & 3		
Time	Topic	Speaker
0900- 0910hrs	Welcoming address	Event Co-chair, Organizing Committee Ms Lim Peck Kee Assistant Nurse Clinician National Neuroscience Institute
0910- 0920hrs	Opening Address by Guest of Honour	Dr Ng Wai May Director, Nursing National Neuroscience Institute
0920- 0940hrs	Global Health Initiatives: Building Capabilities for Healthier Future	Ms Ng Suan Gek Nurse Clinician Advanced Practice Nurse National Neuroscience Institute
0940- 1010hrs	Unleashing the Mind's Potential: The Creative and Innovative Brain	Ms Fu Liqing Senior Nurse Clinician National Neuroscience Institute
1010- 1025hrs	Q&A	
1025- 1045hrs	Tea break	
1045- 1115hrs	Shattering the Time Barrier in Acute Stroke Care	Dr Khin Hnin Su Wai Consultant, Neurology National Neuroscience Institute
1115- 1145hrs	Breaking New Ground in Alzheimer's Treatment	Dr Ng Kok Pin Senior Consultant, Neurology National Neuroscience Institute
1145- 1215hrs	Revolutionizing Migraine Management: Trends and Horizons	Dr Nijanth Manohararaj Associate Consultant, Neurology National Neuroscience Institute
1215- 1230hrs	Q&A	
1230- 1330hrs	Lunch	

Parallel Session 1 – Navigating Through the Last Journey: Exploring, Supporting, and Caring		
Chairperson/ Moderator: NC Zhou Li Feng		
Venue: CHI Hall 1		
Time	Topic	Speaker
1330-1350hrs	Listening Hearts, Honoring Choices: Bridging Compassion and Care Preferences	Ms Lin Jingyi Principal Medical Social Worker Tan Tock Seng Hospital
1350-1410hrs	Breathing Life into Neuroscience Care: The Vital Role of Home Ventilation & Respiratory Support Teams	Ms Feng Chunshu Nurse Clinician Specialty Nursing Tan Tock Seng Hospital
1410-1430hrs	Easing the Journey: Compassionate Approach to End-of-Life Symptom Relief	Ms Melissa Fong Nurse Clinician Methodist Welfare Services
1430-1440hrs	Q&A	
1440-1525hrs	Tea break + Practical Walkabout	

## Neuroscience Nursing Seminar 2025

### Beyond the Basic

18 July 2025, Friday | Centre for Healthcare Innovation, Level 2

National  
Neuroscience Institute  
SingHealth

Parallel Session 2- Emerging Procedures in Neuroscience Care		
Chairperson/ Moderator: ANC Tan Bee Ling		
Venue: CHI Hall 2		
Time	Topic	Speaker
1330 - 1350hrs	Widening the Narrowed Tunnel: A New Approach in Carotid Stenosis Treatment	Dr Joanna Ti Pearly Senior Consultant, Neuroradiology National Neuroscience Institute
1350 - 1410hrs	Navigating the Cerebral Maze: Endovascular Approach for Subarachnoid Haemorrhage Management	Ms Lye See Jie Senior Staff Nurse National Neuroscience Institute
1410 - 1430hrs	Rewiring the Brain: Deep Brain Stimulation for Movement Disorders	Ms Li Wei Senior Nurse Clinician Advanced Practice Nurse National Neuroscience Institute
1430 - 1440hrs	Q&A	
1440 - 1525hrs	Tea break + Practical Walkabout	

Parallel Session 3- New Horizons: Care and Communication in Neurology		
Chairperson/ Moderator: SNC/APN Janis Tye		
Venue: CHI Hall 3		
Time	Topic	Speaker
1330-1350rs	Beyond Lesions: The New Frontier of MS Diagnosis	Dr Foong Wai Dic Associate Consultant, Neurology National Neuroscience Institute
1350-1410hrs	Unmasking Myasthenia Gravis: Beyond the Fatigue Facade	Ms Goh Mei Lian Senior Staff Nurse National Neuroscience Institute
1410-1430hrs	Unlocking Silent Words: Augmentative and Alternative Communication	Tan Xueta Ying Principal Speech Therapist Tan Tock Seng Hospital
1430-1440hrs	Q&A	
1440-1525hrs	Tea break + Practical Walkabout
